

## ADOBE GRAPHIC DESIGN MASTERCLASS

**Duration: 5 Days**  
**Course Code: ITM10**  
**Course Price: £2475**

### Course Description:

This 5 day training course will show you all of the advanced features that are available in the main three Adobe programs in the suite, Illustrator, InDesign and Photoshop. You will learn from a professional how to create high-quality illustrations, graphics, publications and much more. This course will take your graphic design skills to the next level.

### Course Requirements:

This course assumes no prior advanced knowledge of the programs, however basic IT skills are essential. The training is ideal for people who have had experience with the Adobe programs.

### Benefits From Attending The Training:

Upon completion of this course, you will have an advanced knowledge of the three most important Adobe programs, enabling you to create high quality illustrations, graphics, and publications with greater confidence. You will increase your productivity and incorporate the best practice into your workflow.
